ORDER

GREGORY H. WOODS, United States District Judge:

On September 14, 2021, Petitioner filed a pre-emptive request for an extension of time to respond to Magistrate Judge Ona T. Wang's report & recommendation. There is no report & recommendation currently pending. Petitioner points to the current conditions at Sing Sing Correctional Facility and his inability to access the law library as justification for the request. Because the Court does not know whether the current conditions at Sing Sing Correctional Facility will be in effect when the report & recommendation is issued, the Court declines to grant an extension in advance of the report's issuance.

The Clerk of Court is directed to send a copy of this Order by certified mail to the petitioner.

SO ORDERED.
